Dear Colleagues,

After the great success of International Conference on Soft Materials, ICSM 2014, ICSM 2016 and ICSM 2018, we are pleased to announce the first edition of National Conference on Nanomaterials in Biology (NCNB 2019) during 9-12 October 2019 in Jaipur with one day workshop on Microscopic Techniques.

We would like to invite you and your group to participate and present recent findings in NCNB 2019. We are putting our efforts to bring together, once again, a multi-disciplinary group of leading Plenary and Invited Speakers from all over India to promote and enhance recent achievements in the field of nanomaterials in Biology. In particular, we would like to welcome the students/postdoc in this exciting forum to address a wide range of issues and their solution for the better future of our society. The exchange of knowledge and the discussions amongst participants will be favoured during the conference and related social events.

Looking forward to a professionally exhilarating and socially enjoyable an excellent conference in Jaipur.

A heartily welcome!!

Organizing Committee - NCNB 2019
